

## **MARYLAND BOARD OF AIRPORT ZONING APPEALS**

### **Notice of Hearing**

The Maryland Board of Airport Zoning Appeals (BAZA) will hold a hearing teleconference on Monday, November 22, 2021. The hearing will begin at 10:00 am. The public call-in number is +1 443-409-5228; Conference ID: 642 639 91#. The Board will hear the following case:

#### **Docket Number 427**

Verizon Wireless/NB&C, LLC is proposing to utilize a temporary crane to install antenna structures to an existing BGE Transmission Tower located at 1263 Washington Irving Lane, Middle River, Maryland. This location is approximately 10,400 feet northwest of Runway 15 at Martin State Airport. The proposed height of the temporary crane is 143 feet above ground level (AGL)/223 feet mean sea level (MSL). The temporary crane height will exceed the Code of Federal Regulations (FAR) Part 77, Objects Affecting Navigable Airspace by 20 feet. The Appellant has filed for a "Determination of No Hazard to Air Navigation" (ASN# 2021-AEA-14178-OE) to the Federal Aviation Administration. Code of Maryland Regulations (COMAR) 11.03.06.03 and 11.03.06.04 - Height Limits in Airport Districts, enables the proponent to seek a variance from the Board of Airport Zoning Appeals for any proposed penetration of FAR Part 77. Therefore, the Maryland Aviation Administration will present BAZA Case 427 to the Board of Airport Zoning Appeals Monday, November 22, 2021 at 10:00 am.

For additional information, please contact Deborah Mahoney-Fowler at 410-865-1233.
